**2009 North American SuperLiga** - 15 games, 9 days, 8 teams, 7 venues - the countdown continues until 1 championship team emerges victorious as the top 4 professional soccer teams from Mexico and the top 4 U.S. teams collide in the 2009 North American SuperLiga to compete for the **1 Million** dollar prize.

Representatives from the MLS and Mexico's Primera league have come together in an exciting international soccer tournament pitting professional teams from premier leagues in both countries.

You can bet these are going to be some of the most exciting games on American soil this summer. Sport your colors. This is international soccer in the U.S.

Enjoy the game!
